## **VALUE-ADDED SUPPORTERS**

Value-Added Supporters “support” Wi\$eUp by doing something to facilitate or enhance outreach or delivery. There are no strict requirements regarding the type of assistance provided nor is any funding involved. Adding a Wi\$eUp link to their website would qualify for a Value-Added Supporter. Once they sign a Value-Added Supporter registration form, they are acknowledged on the Wi\$eUp website. For example, BPW is a National Value-Added Supporter.

**Refer to the Value-Added Supporter Registration Form** for additional information.
